# 17.1 DRAWERS & BINS

## Inventory Control On 15,000 High Quality Maintenance Products

### THE SUPPLIES YOU NEED WHERE YOU CAN FIND THEM!

With TMC Incorporated cabinets and drawers the right part is always available when and where you need it. No more endless searching through piles of parts and through countless unidentified boxes for that 1/4" lockwasher you purchased last week. With the TMC

inventory system you'll always know what you have and what you need to order. TMC' Sales Agent will work with you to specially design your system to meet your companies specific and unique needs

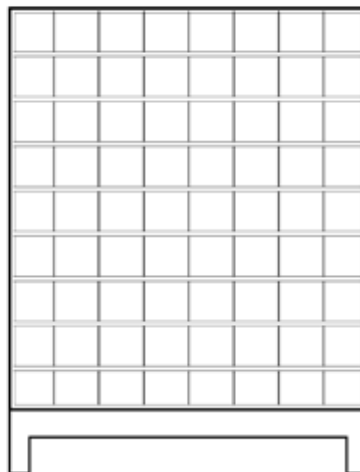

#### TMC Inventory Control Helps To Eliminate:

- Excessive downtime
- High maintenance costs
- Stock-outs
- Excessive inventories

#### The TMC Sales Agent will:

- Recommend required storage equipment
- Identify each part carried
- Determine inventory needs
- Set minimum and maximum quantities
- Check stock on a regular basis
- Organize and clean bins

# 17.1 DRAWERS & BINS

## Drawers

### Features

- Made of prime cold rolled steel.
- Rust and acid resistant baked enamel finish
- Compartments have rounded scoops to facilitate removal of small parts.
- Covers are designed to stay open to allow easy access.
- All drawers have handles and pull-down catches.

# 17.2 RACKS, CABINETS & CONTAINERS

## Hose Clamp Racks

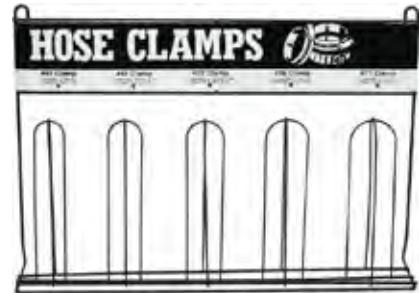

No. 82125

### Hose Clamp Rack

- Ten post rack holds clamps from miniclamp through #36 - 2-1/2 diameter clamp.
- Built in hanger loops allow for mounting on wall or counter top. Clamp diameters listed on sign panel.
- Used in assembly 96501.

### Large Size Hose Clamp Rack

- Similar to above but holds five sizes of clamps from 40 through #72.
- Used in assembly 96506.

No. 82126

## Aerosol Cabinet

### Features

- Holds up to 72 - 2-3/4 diameter cans.
- Divided into 4 equal compartments.
- Contents protected by a double door with a key lock.

No. 82123

## Aerosol 6-Can Rack

No. 82106

### Features

- Holds up to 6 aerosol cans.
- Mounts easily to walls in shops and trucks.
- Durable gray powder coat finish

| No.   | Width  | Height | Depth | Sections | Description         |
|-------|--------|--------|-------|----------|---------------------|

| 82121 | 26-1/8 | 37-1/4 | 5-13/16 | 4        | Wire Spool Rack |
| 82124 | 26-1/8 | 22-1/4 | 5-13/16 | 2        | Wire Spool Rack |

## Key Stock Rack

### Features

- 10 compartments for holding key stock from 1/8 through 3/4 square and 12 long.
- 3 back panel allows for product identification labels
- Keyholes in panel allow for wall mounting.
- Used in assembly 95401.

| No.   | Width  | Height | Depth | Sections | Description    |
|-------|--------|--------|-------|----------|----------------|
| 82122 | 12-1/4 | 12     | 6-1/4 | 10       | Key Stock Rack |

## Welding Rod Cabinet

### Features

- Holds welding up to 18" long in six compartments.
- 6 compartments.

| No.   | Description         | Qty |
|-------|---------------------|-----|
| 82127 | Welding Rod Cabinet | 1   |

## Welding Rod Canister

### Features

- Holds up to 10 lbs. of electrodes.
- Certified chloride-free
- Threaded cap has a long-lasting neoprene seal to keep electrodes airtight.
- Constructed of high-impact polyethylene.
- Color: Blue

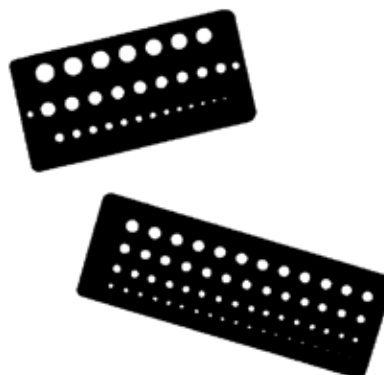

| No.   | Description              | Qty |
|-------|--------------------------|-----|
| 82131 | 12-14" Sealed Rod Holder | 1   |

## Gauges

### Features

- Made of steel
- 3 x 6 x 1/16

| No.   | Type                           |
|-------|--------------------------------|
| 82000 | #1 - #60 Wire Gauge            |
| 82002 | Fractional Drills - 1/16 - 1/2 |

## VersaPak™ Storage Boxes

### Features

- Adjustable.
- Hinged Lid.
- Stands up in harsh conditions and resists most common chemicals, gasoline and oil.

No. 82044

No. 82045

## Tap and Drill Cases

### Features

- Organizes taps with the correct drill bit.
- Protects delicate taps.
- National Coarse.

### 82025 - 9 Standard Coarse Taps and Drill Bits

Taps: 6-32, 8-32, 10-24, 10-32, 1/4-20, 5/16-18, 3/8-16, 7/16-14, 1/2-13  
Drills: #36, #29, #25, #21, #7, F, 5/16, U, 27-64

### 82030 - 6 Standard Coarse Taps and Drill Bits

Taps: 6-32, 8-32, 10-24, 10-32, 1/4-20, 5/16-18  
Drills: #36, #29, #25, #21, #7, F

### 82041 - 9 Standard Fine Taps and Drill Bits

Taps: 6-40, 8-36, 10-24, 10-32, 1/4-28, 5/16-24, 3/8-24, 7/16-20, 1/2-20  
Drills: #33, #29, #25, #21, #3, I, Q, 25/64, 29/64

### 82031 - 9 Metric Taps and Drill Bits

Taps: M2.5 x 0.45, M3.0 x 0.50, M3.5 x 0.60, M4.0 x 0.70, M5.0 x 0.80, M6.0 x 1.00, M8.0 x 1.25, M10.0 x 1.50, M12.0 x 1.75  
Drills: 2.05MM, 2.50MM, 2.90MM, 3.30MM, 4.20MM, 5.00MM, 6.70MM, 8.5MM, 10.20MM

No. 82030

## Cup Indexes

### Features

- High impact, break resistant plastic.
- Holds 29 drills from 1/16 to 1/2 by 64ths.
- Sizes marked next to holes.
- Water resistant, great for outdoor jobsites.
- Fast, ¼ turn cover secures dome to top of index.
- Drills stay in index if dropped and cover is secured.
- Available for jobbers length and mechanics length drill bits

| No.   | Pieces | Type             | Size                 |
|-------|--------|------------------|----------------------|
| 82042 | 29     | Jobber Length    | 1/16 to 1/2 by 64ths |
| 82043 | 29     | Mechanics Length | 1/16 to 1/2 by 64ths |

## Silver & Demming Drill Stand

- For Silver Deming drills from 1/2" to 1" by 64ths "held by shank".
- Fractional sizes clearly marked.
- Baked epoxy finish.
